

The Quiz Competition will be conducted based on the learnings of the session and the winners will be recognized with a trophy & certificates at the end of the Program.

OBJECTIVES

The objective is to open-up the creativity of the participants to identify critical conditions in their processes such as rework, rejections, downtime, in their bottleneck areas which can inspire them in sharing KAIZEN ideas. Recognition / Motivation through Quiz Competition

WHO SHOULD ATTEND?

Operators, Supervisors and Managers from Shopfloor | TPM Coordinators | Pillars Heads & Chairman | Engineers & Managers who practice TPM or responsible for TPM Activities | People from Middle and Senior Management of continuous improvement

Masterclass on

KAIZEN for ORGANISATIONAL GROWTH & Quiz Competition

Critical success factors for KAIZEN culture in an organisation

0930 TO 1300 HRS: 19TH NOVEMBER 2024 | VIRTUAL PROGRAM

The term KAIZEN is developed from two words from JAPAN meaning that KAI means transformation and ZEN defines it as good. Change is required for any process improvement. Outcomes from KAIZEN Blitz are defined as PQCDSM (Productivity, Quality, Cost, Delivery, Safety & Morale). The first four outcomes are tangible and the last two are intangible. With top management's support employee generates suggestions for the Organisation's continuous growth.

TAKEAWAYS

- Sharing 200 Live Case study Book (soft copy) to the participants. This initiative, the first of its kind with copyright registration with foreword from Chancellor Vellore Institute of Technology, Vellore.
- Tips for successful implementation of KAIZEN in any organization
- Covering KAIZEN ideas for both Manufacturing & Service industry
- Opportunity to participate in an online Quiz competition on KAIZEN with live results ---through www.menti.com
